## This week in school

### Year 3 Trip

As part of their Geography learning, Year 3 visited Lulworth Cove. The children had a fantastic day exploring the geographical features of the coastline. A ranger led a session about geology, during the morning, then the children climbed the many steps to the top where they sketched Durdle Door. We are so proud of the children for their brilliant behaviour and energy....I expect they slept very well! A big thank you to the parent helpers and staff team for supporting the trip so well.

## SAFEGUARDING

**At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. Staff at Broad Chalke receive regular training. The purpose of these weekly updates is to raise awareness and support you as parents.**

Artificial Intelligence (AI) continues to be a very hot topic at the moment. Currently there are safeguarding risks for children and young people, especially through the AI powered 'virtual friends' e.g. Replika and Kuki. Attached to this newsletter is some up-to-date guidance about the features of AI and advice for parents.

## SPORTS DAY

We are looking forward to welcoming parents to our sports day on Tuesday. The gate will be unlocked at 1.20pm. Upon entry, you will be given a programme. Please stay behind the marked line. FOBS will be selling refreshments on the field. Let's hope the weather stays fine!
