With the love of God we learn, care, grow and share

This term our Collective Worship theme is **PEACE**

'My peace I give to you' John 14v27

This Week in School

Remembrance- This week all of our children have been learning about what is Remembrance day and why it is so important. Today, we held a special remembrance service. Thank you to Reverend Ruth, Major Jones and Ed Gairdner for supporting our service.

Major Jones Visit- Today, one of our parents, Major Jones, kindly led a question and answer session and experience opportunity for all of the children in the school. The children learned more about what it is like to serve in the armed forces.

"I loved trying on the army gear" Y2 pupil "Major Jones visit was incredible- he answered every question brilliantly" Year 5 pupil

Phonics Workshop- Thank you to all EYFS and Year 1 parents who attended the phonics workshop this week and to Miss Britton for leading such an informative session. The power point will be shared via Seesaw for any parents who missed it.

SAFEGUARDING

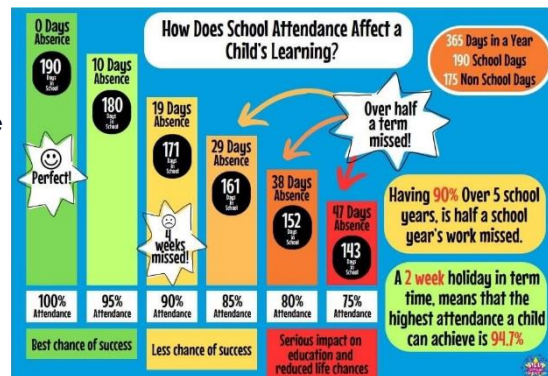

At Broad Chalke, keeping children safe is always a priority and our safeguarding duty.

The purpose of these weekly updates is to raise awareness and support you as parents.

Regular school attendance is an important part of giving children the best possible start in life. Children who miss school frequently can fall behind with their work and do less well in exams.

During next week's parents' evening your child's attendance will be shared with you so you are fully informed.

As a school we aim for at least 96% attendance, which is in line with the Local Authority. Please come and speak to us if you would like any support.

Our Community

- Our Harvest collection donated 64.9kg to the Trussell Trust. A huge THANK YOU! We smashed our collection last year of 47.4kg...Brilliant!
- Our school is extremely grateful to our PTA, FOBS, who continue to support the children of Broad Chalke School through fundraising events. Last Friday the first **Friday Feeling class stall** event took place. Our brilliant Year 2 parents and children raised over £100! Half of this total will be put into the FOBs fund and half will go to the class. This will give each class the opportunity to voice their own ideas about what to spend the money on and develop an understanding of democracy, one of the British values.

Best wishes

Heather Luft (Headteacher)

New Broad Chalke website coming soon!

Well done MOTHER TERESA for earning the most House Points this week
